# Let me write

The newspaper team had a drama competition in the second term. We wrote new scripts by changing the contents of some famous stories. Then we made our own props and acted out the stories. It was great fun! Let us share some pictures of the competition day and how we felt about it with you.

**Actors: Tony Liu (5A), Kamus Chan (5A), Catherine Tam (5A), Elaine Liu (4A) and Kitty Wong (4A)**

On the 15<sup>th</sup> of May, we had a drama competition in the English room. We had four drama groups. They were "Three Little Bears and a Tiny Bat", "Little Yellow Kitty", "The Three Little Onions" and "Millyrella."

The title of our drama story was "Little Yellow Kitty." It was about a girl called Little Yellow Kitty who went to Mrs. Catherine's home to get some apples but a cat ate her and down she went into his tummy. Then Little Kitty shouted for help. In the end, a doctor came to save her.

I was Mrs. Catherine from the Little Yellow Kitty group. I picked the apples in my group. I thought my character was easy to be.

I liked the "Three Little Onions group" because they were funny and interesting. I liked the princess character the best from the Three Little Onions group because her crown was beautiful and shiny.

I think the best moral story was to shout for help when you are in trouble.

The winner was the Three Little Onions group. I thought that their drama and props were well prepared.

I felt happy at the end of the competition because I could see many groups perform well. I enjoyed watching the dramas because the dramas were interesting to watch.

# Millyrella

**Actors: Milly Zhang (6A), Wing Mo (6A), Lily Yip (6A), Fanny Wong (6A) and Sandy Cheung (6A)**

# Three Bears and Tiny Bat

On the 15<sup>th</sup> of May, we had a drama competition in the English room. The title of our drama story was "Millyrella". Our story was about a girl's stepmother and stepsisters and how they were unkind to the girl. Then a fairy helped the girl made her wish come true. I was the fairy and Sandy Wing. There were five people in our group.

I watched the other drama groups and I liked the "Three Bears and a Tiny Bat" because their story was interesting and it showed how dedication and hard-work can help you to be a good student. Our judges were Miss Sou and Miss Cheng. I liked the Millyrella character because she was a good and nice girl. The best moral story was to remember to be kind to others. The winner was the "Three Little Onions". I felt unhappy because my group only had four people to play this drama instead of five. I felt this made our group lose.

I enjoyed doing this drama because it was interesting. I wanted to do it again.
