

### My School Picnic

Last Monday, my teachers classmates, the principal and I went to Tai O. It was a sunny day. We went to Tai O by coach, we felt excited and happy.

We brought some sandwiches, candies, chicken wings and pork chop. We also brought water and juice. We brought our iPads and pens to take notes. We played some interesting games and card games. We ate a lot of food at lunch time. We ate sandwiches chicken wings and pork chop. We also ate candies. I felt happy.

We left at four o'clock in the afternoon. We felt happy. I enjoyed the picnic. I want to go there again.
