Interesting places in Hong Kong

There are many interesting places in Hong Kong. We can see and do a lot of things there.

Hong Kong Wetland Park is in Tin Shui Wai. We can go there by MTR. We can look at the plants and see the crocodile Pui Pui. It is very cute. We can also take photos there.

Disneyland is on Lantau. We can go there by MTR. We can ride on the cable car and take photos with Mickey Mouse, Minnie Mouse and the princesses Belle, Cinderella and Snow White. We can also watch a funny drama.

Ocean Park is on Lantau too, We can also go there by MTR. We can ride on the cable car and look at the panda Ying Ying and Lok Lok. They are very lovely. I think Hong Kong is a great place. It is very fun.
