My Dream Job

I want to be a fashion designer when I grow up because I like drawing. If I become a fashion designer, I will make beautiful clothes.

If I want to become a fashion designer, I should be good at drawing. I need to be creative so that I can make different clothes. I need to make pretty dresses and clothes. I will make clothes for models and the fashion shows. I need to be patient too. I need to go to many boutiques so that I can have new ideas!

I think this job is suitable for me because I am good at drawing. I need to be creative so that my dream will come true.
