Title: Jack and the Beanstalk

Author: Joseph Jacobs

Publisher: Benjamin Tabart

Why did you choose the book?

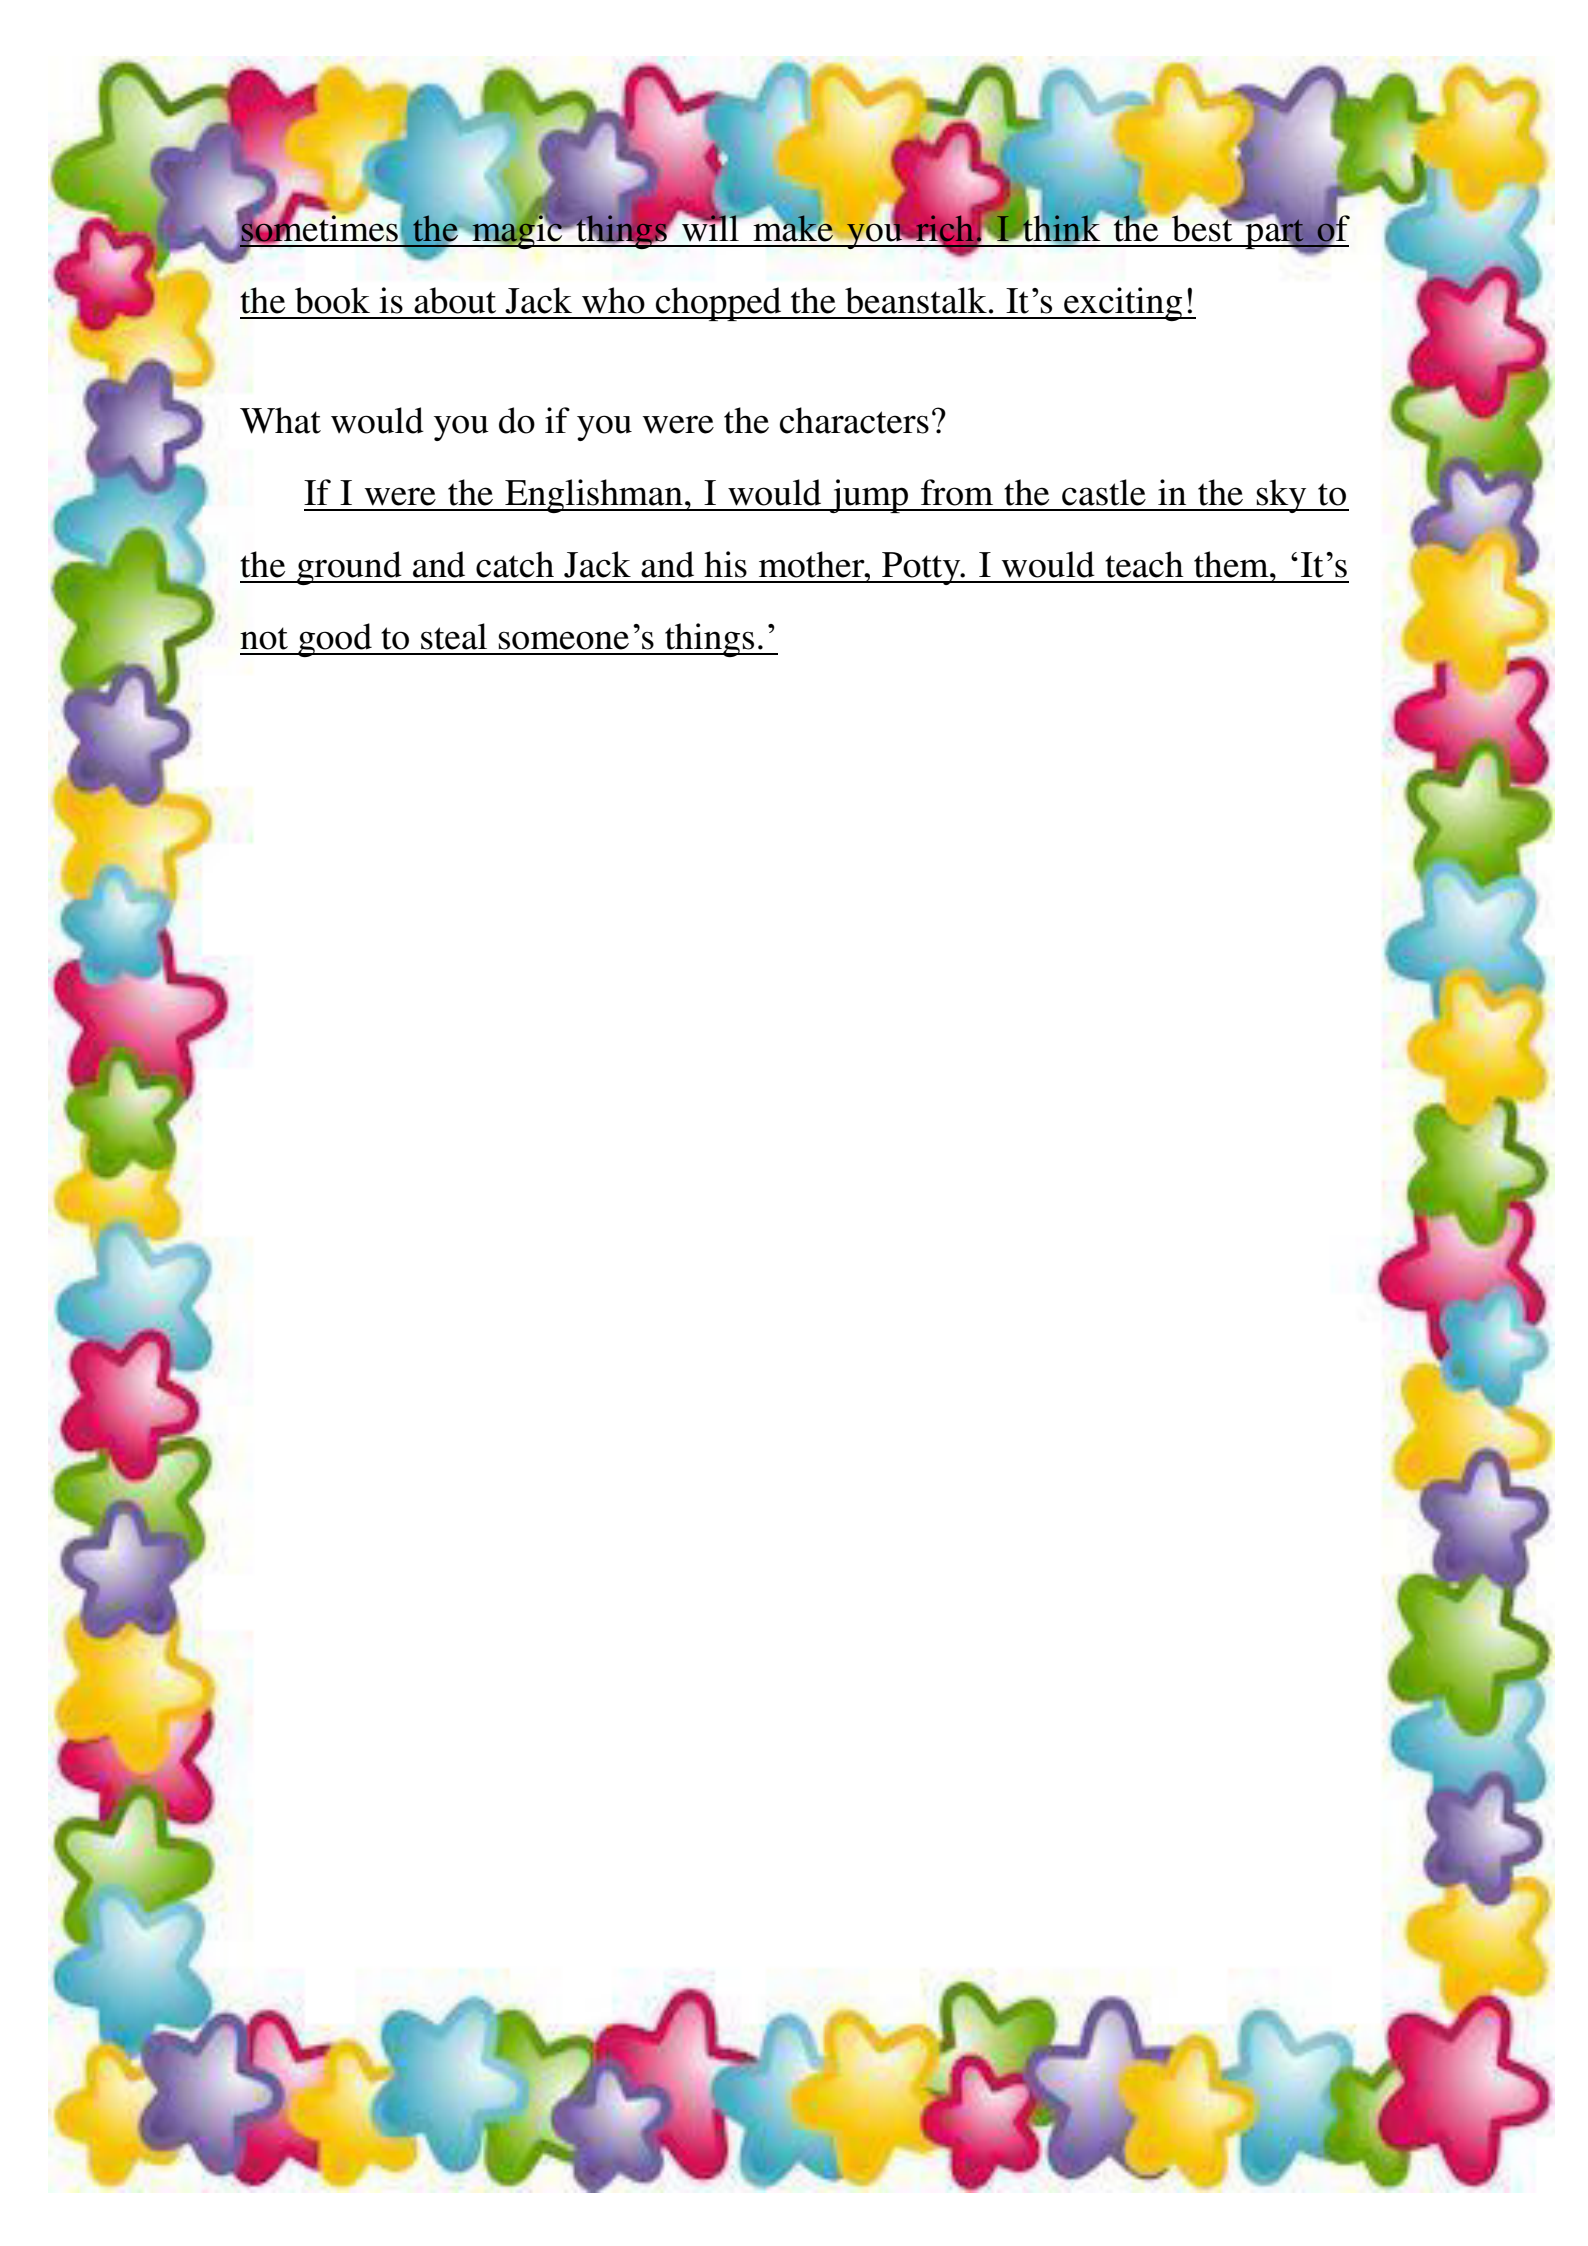

I chose 'Jack and the Beanstalk' because the pictures are colorful and the plot is interesting.

What is the book about?

The book is about a poor boy, Jack, who lives with his mother, Potty. They have a cow called Skimmed Milk but it never has milk so Potty tells Jack to sell Skimmed Milk at the market. Jack uses the cow to exchange for magic seeds and the seeds turn into a big beanstalk and reach up to the sky. Jack climbs up the beanstalk and finds out that there is a lot of treasure and there is a large English man. He steals the treasure and he becomes rich.

What did you like/dislike about the book?

The book was very exciting and amusing because the pictures of the Englishman kept me laughing. I was a little bit disappointed because I thought the large Englishman would come down to Jack's house. My favorite character is Jack because he is brave and naïve. He can steal his treasure from the large Englishman and he believes in magic. I learnt that

sometimes the magic things will make you rich. I think the best part of the book is about Jack who chopped the beanstalk. It's exciting!

What would you do if you were the characters?

If I were the Englishman, I would jump from the castle in the sky to the ground and catch Jack and his mother, Potty. I would teach them, 'It's not good to steal someone's things.'
