Miss Bintou

By 4A Chris Fok Cheuk Wah, 4A Terrence Leung Ming Chun, 4B Hailey Leung Hei Man, 4D Bryan Ku Lok Yan, 5A Hailey Cheung Chi Yiu, 5B Samson Tang Shue Sum, 5B Xu Jelena, 6A Cindy Chen Xinhui and 6A Yan Cherish

LKKB Students' Voice had an online interview with Miss Bintou in October. We had a nice time chatting with her. This is what we learnt about her.

Miss Bintou's father is from Africa, but she was born and grew up in Hong Kong. She loves both Hong Kong and Africa. She thinks that Hong Kong is a special place where there are lots of people from around the world. It has a super diverse background. 'Africa has many languages. The scenery and environment is beautiful. I would like to travel around Africa one day,' Miss Bintou said.

The best place Miss Bintou has been to is Mongolia. As a camping lover, she once went camping in Mongolia for three weeks. What attracted her most was the beautiful scenery there. She travelled all over

the place with her friends. During her trip, she learnt some survival skills and languages too.

For food, Miss Bintou told us that she likes eating Hong Kong street food such as fish balls, egg puffs, bubble tea and comfort food. For colours, Miss Bintou likes light pastels and baby colours.

Miss Bintou's dream job was to travel and be a photographer. She likes children and she loves seeing people grow. That's why she became a teacher. 'The students in LKKB are adorable and polite. This is the best school I have ever taught in,' Miss Bintou said.

We were glad to interview Miss Bintou. We hope she enjoys her teaching in LKKB.

Miss Sarah Collum

By 4A Chris Fok Cheuk Wah, 4D Bryan Ku Lok Yan, 5A Hailey Cheung Chi Yiu, 5B Samson Tang Shue Sum, 6A Cindy Chen Xinhui and 6A Yan Cherish

Our team interviewed Miss Sarah in January. We were glad to have the chance to chat with her and learn more about her.

Miss Sarah was born and raised in Hong Kong though her parents are from England and the Philippines. She thinks England has lots of nature and good food while the Philippines has lots of tropical nature and beautiful beaches. She likes both England and the Philippines. However, due to COVID-19, it is not easy to go back to either place. It is not safe and a bit dangerous to travel at the moment.

'Where is the best place you have been?' our team asked Miss Sarah. 'Gili Islands in Indonesia. I like the culture, the food, the people and the atmosphere there. It is a very relaxing place and the people are welcoming and spiritual,' Miss Sarah said.

Miss Sarah's favourite colour is purple. She loves Lebanese and Indian food best. Her favourite sport is skateboarding. She finds skateboarding unpredictable and scary, but exciting because you won't know what to expect.

Miss Sarah became a teacher because she has a passion for seeing children progress, become better and to reach their full potential. She thinks that a school is a fun environment where she can grow with kids and learn from them too. She likes our school and the children. Everyone is well behaved, down to earth and friendly.

We thanked Miss Sarah for her time having an interview with us. We hope we can talk to her again next time.

Miss Lee Ching Yan

By 4A Stella Chung Wing Sum, 5A Hailey Cheung Chi Yiu, 5A Jason Tang Cham Sum, 5B Kelly Yung Wing Shan, 5B Michael Wong Lok Yan, 5B Samson Tang Shue Sum, 5B Taki Sin Nok Wai and 5B Xu Jelena

We interviewed Miss Lee in October. This is what we learnt about her.

Miss Lee became an English teacher because English was her favourite subject when she was young. She thinks that we can use English to speak to many people and broaden our horizons. Apart from English, Miss Lee can also speak Cantonese, Mandarin and some German. She can speak German because she has studied in Germany before.

We asked Miss Lee about the things she likes. Her favourite colour is green because it is refreshing and looking at green things is good for our

eyes. When she is free, she likes swimming, hiking and chatting with friends. Miss Lee likes seafood and her favourite food is squid.

'The place I like best is Norway which is located in Northern Europe. I like seeing the Northern lights there,' Miss Lee told us.

Miss Lee loves animals. She had a pet cat but we were sorry to hear that it passed away two years ago when it was fifteen years old. Miss Lee was sad about it and she misses her cat so much.

Miss Yeung Pui Sze

By 4A Terrance Leung Ming Chun, 4C Cora Gao, 4C Jayden Kwong Wing Hei, 4D Bryan Ku Lok Yan, 4E Isaac Huang Yi Le, 5A Jason Tang Shue Sum, 5A Hailey Cheung Chiu Yiu, 5B Taki Sin Nok Wai, 6A Cindy Chen Xinhui and 6A Cherish Yan

Miss Yeung enjoys the lovely sunny day in England.

Miss Yeung is not a new teacher in LKKB. She has been an English teacher in our school for many years. She has moved to England because her kids are studying there.

We are glad that Miss Yeung has got used to her new life in England. She said, 'My neighbours are nice, and there are a lot of sunny days. I don't feel blue.' Though Miss Yeung lives in UK now, she is still teaching online classes for our school. In the morning, she has online lessons with cross-border students. In the afternoon, she can go to the supermarket to do the shopping. Now, she has more time to take care of her family.

Miss Yeung's favourite English food is scones with butter. For other English food, she has not tried

much because she likes Chinese food more. Miss Yeung enjoys cooking very much. She likes trying out new recipes and cooking for her family.

'I miss my friends, colleagues and of course my students in Hong Kong,' Miss Yeung told us. We miss you too, Miss Yeung! We hope that you can live happily in England.

An Accident at Home

6C Yelana Ng Tsz Ying

Yesterday afternoon, Peter and Peter's mother stayed at home. When Peter's mother was cooking the pot of hot soup, the mobile phone rang.

After that, Peter's mother put down the pot and left it on the stove. Then she went to the living room to answer the call.

A while later, Peter went into the kitchen. He lifted the pot of soup but he dropped it carelessly. The soup spilt out of the pot. Then, it burnt his arm so Peter's mother called the ambulance.

Finally, the ambulance arrived. The ambulance men sent Peter to the hospital. The doctor told him to stay at home for one day and take some medicine. Peter learnt that he should not touch anything in the kitchen.

My Dream Job

6D Yan Du Ying Zhen

I want to be a doctor when I grow up because it is a meaningful job. If I become a doctor, I will let fewer people get hurt and take care of them.

Doctors need to be brave so that they can care of the sick people. They also need to be careful so they don't misjudge when curing patients. They also need to be enthusiastic so that they can treat all the patients well.

We should put in a lot of effort and give a lot of love to the patients. I think I am suitable for this job because I like being a doctor.

I am going to study hard and read more medical books so I think I can be a doctor one day.

School Picnic 2021-2022

By 6A Cindy Chen Xinhui

I went to Tree Top Cottage, Lam Tsuen, Tai Po with my classmates and Miss Mak on Wednesday, 20th October.

We climbed the treehouse and held the sticks to let everyone step on them. Some of the boys were kind of heavy. We spent a lot of effort to lift them. Miss Mak wanted to step on the sticks too but Jason from 6B did not hold his stick well so Miss Mak almost fell down. We were shocked. Fortunately, she already stepped on another stick.

Then we climbed the treehouse. It was quite easy for me. I think it's not scary at all. I really enjoyed cheering for my friends when they were climbing the treehouse.

It was an unforgettable day.

Yeah! Most of us climbed up to the tree house successfully! How brave are we!

Teachers and students are practising walking on the rope ladder.

We listened to the instructions very carefully.

The penguins are so cute! We all love taking photos with them.

The Grand Aquarium has over 5000 fish with over 400 species! Amazing!

By 5A Jason Tang Cham Sum

On 20th October, I went to Ocean Park with my classmates and teachers. It was a lovely sunny day. We went to Ocean Park by coach. It took about one hour to get there from school. We got off the coach and saw many people there.

First we visited different aquariums and saw the aquatic animals. They were very cute. I love the fish very much. After that we went to a shop to buy some souvenirs. There were different kinds of souvenirs. Then we rode on the carousel. Due to the pandemic, we spent only half day in Ocean Park, so we did not have time to ride on all the carousels. I hope next time we can have more time to play.

We took group photos together before we got on the coach. We left reluctantly but we were so happy. I want to go there with my best friends.

By 4A Terrence Leung Ming Chun

In early October, the school announced that we can go on a picnic to Ocean Park on 20th October. My friends and I were so happy about it! We couldn't wait for it!

Finally the picnic day came! We went there by school bus. What I loved most was seeing the animals. I visited Rainforest Bazaar and saw a peacock with an egg in its 'bed'! It was the first time that I saw a bird egg. My friend Oscar and I were surprised to see a snake under a waterslide. However, we soon found out that it was fake. It was funny!

It was a happy day. I had a good time with my friends. I will never forget this wonderful day.

There are many cute and lovely souvenirs!

Here we go! Ocean Park!

How lucky we are! We won the game and got a prize!

We're about to get on the Ocean Express!
