### A Fashion Show

Last night, I went to Tin Shui Wai Hotel to watch ABC Specialty Store's 'Winter Fashion Show 2020' with my friend, William, so I felt very excited.

The first model was William. I said, 'William, her name is the same as yours!' William shouted, 'Wow! What a coincidence! But she is a girl!' The model, William, was wearing the newest women's clothing designed by ABC Specialty Store. She had a cool hat, a beautiful dress and crystal shoes. I said, 'Wow! She is so beautiful and she has a unique style.' 'Really?' William asked. 'I think so!' I replied.

The second model was Eason. He was wearing the latest men's clothing designed by ABC Specialty Store. It was designed by the internationally renowned designer Mak Ham Chi. He specially designed the bow tie, suit, watch and shoes for the model, Eason. The audience said, 'Wow! It's so special! The designer is the fashion icon!'

Next year, I will go and watch a fashion show again!

### My School Picnic

Last week, I went to Tai Mo Shan Country Park for a school picnic with my classmates and the teachers. We met in the playground and got on the school bus. I was very excited!

When we arrived at the country park, we started to make a fire for the barbecue. We brought a lot of things, including a lot of food, a bag of charcoal, three huge bottles of soft drinks and more! While we were waiting for the food, we played ball games, built a sandcastle and chatted with one another. We waited for a long time until finally, it was lunch time. There really was a lot of food on the table, including prawns, squid, crab, steak, chicken and sausages. Out of all of them, I liked the prawns best because they were very juicy!

At last, it was time for everyone to go home. We got on the school bus at 4p.m. and left school at 5p.m. I was extremely tired but I did not want to leave. Personally, I enjoyed the picnic very much and I hope I can come back again.

### At the Cinema

In the morning, Anna and her dad were at ABC cinema. They wanted to watch 'The Lego Movie!', so they waited patiently to buy tickets. They were so happy.

Anna and her dad saw a little boy cry and the other two boys were laughing at him. Anna said, 'Dad, let's help that boy!' Dad said, 'OK.'

Then Anna asked, 'Hey, what are you doing?' The two boys felt ashamed and said sorry to Anna.

After that, Anna picked up the balloon for the little boy. The little boy stopped crying. He said, 'Thank you!' The two boys said sorry to the little boy. Anna and her dad were so happy because they did something meaningful.

### Be a Good Child

It is important for a child to behave well at home and in public places.

We should behave well at home. We should do our homework. We should keep our rooms tidy. We should treat our brothers and sisters well. We shouldn't shout at them. We shouldn't fight with them either. We should speak softly to our parents and be polite.

We should also behave well in public places. We shouldn't speak loudly in public places. We shouldn't eat noisily in restaurants. We should wait patiently at the bus stop. We should read quietly in the library.

When someone helps us, we should say thank you. When we hurt someone, we should say sorry and take care of him or her.

### New story writing

Once upon a time, a gardener and her sister lived near a garden. Every day, the gardener went to the garden to plant flowers.

One day in the morning, she was about to plant a flower when a fairy appeared. She told her not to do that. She would give her three wishes instead. The gardener was very happy when she heard that. She ran back home excitedly.

The gardener told her sister about the three wishes. Her sister was very glad. They wanted to have a lot of jewels, a big house and a lot of money. Both of them were very happy.

The gardener said, 'It's dinner time now. I am hungry, so I wish I will have some chicken wings for dinner.' After that, a dish of chicken wings appeared on the table immediately.

Then the gardener wished that the chicken wings would hang on the sister's nose. Suddenly, the chicken wings were hanging on the sister's nose. She was very angry and sad, so she scolded the gardener.

The gardener told her last wish. She yelled, 'Come back to the dish, chicken wings!' The chicken wings were back on the dish. However, the gardener and her sister were still sad when they ate the chicken wings.

Now, the three wishes were gone. They were unhappy.
